

REMARKS

Applicant thanks the Office for the indication that it claims 7-12 are allowed. This application has been amended to place this application into condition for allowance. More particularly, claims 1-6 and 13-20 were canceled without prejudice. New claims 21 and 22 were added. These new claims represent different statutory embodiments of allowed independent claim 7. More particularly, whereas claim 7 is directed to "a computer-implemented method", new claim 21 is directed to a "computer-readable medium" with features similar to allowed claim 7, and new claim 22 is directed to a "computing device" with features similar to allowed claim 7.

In view of these claim amendments allowance of this application is respectfully requested.

Should any issue remain that prevents allowance of the application, the Office is encouraged to contact the undersigned.

Respectfully submitted,

Dated: 01/31/2006
